## ABOUT VAN NUYS CHIROPRACTIC

Dr. Nazemi and his group of chiropractic, medical (in-house) and physical therapy professionals have put together their knowledge and expertise in their field of specialization to provide their clients the best medical care possible.

Their services have been rendered to the San Fernando Valley in the city of Van Nuys for more than 28 years. Van Nuys Chiropractic Center offers a wide range of state of the art services directed towards alleviating the effects of various non-traumatic disease processes as well as traumatic injuries of the spine and other joints.

They also work closely with other specialties such as orthopedics and neurologists as well as radiology diagnostic centers.
