ABOUT

Wachs Chiropractic, a family-owned and operated business, has been in its location for over 30 years providing chiropractic services to patients who need care on a lien basis. They have three additional staff members supporting them.

They do diversified adjustments, Cold Laser Therapy, and activator treatment. On average a patient is re-evaluated every 4 to 6 weeks or 12 sessions whichever comes first, but can be shorter or longer depending on the need.

Patients can get in the same day or next depending on their schedule and reports are turned around within 2 weeks.

Dr. Wachs is QME and AME qualified and is a Nexus Panel Provider. His specialty is sports medicine having gone through his own chiropractic experience with a sports injury in college.
