When Compliant Clients™ coordinates and funds transportation related to the injury, our fees ARE recoverable AND compensable!

Getting started with Compliant Clients™ is simple. Just enroll your client using our friendly, easy-to-use web portal. Clients can be approved within minutes.

Schedule all your client's upcoming rides.

Whether they need to travel by land or air, our helpful case managers will organize all the details.

Ensure they make it to appointments on time.

We tailor our services to each client to ensure their needs are met, so there are no worries about problematic gaps in treatment.

Cover the cost of transportation and medications.

We'll even cover the upfront cost of transportation, so clients won't think twice about attending appointments.

Law Firms simply enroll their client within our portal, and we coordinate the rest.
