ABOUT

We are a dedicated and compassionate healthcare professional office with a focus on promoting patient well-being and providing comprehensive care. We have a multidisciplinary team of licensed and certified staff members. Our facility is committed to creating a positive patient experience and ensuring optimal health outcomes.

Multidisciplinary Team Management:

We lead a team of over seven licensed and certified staff members, including medical doctors, chiropractors, acupuncturists, podiatrists, pilates trainers and massage therapists. We also offer Jade Infrared Sauna beds and focused shock therapy to help reduce pain and inflammation.

Patient-Centric Approach:

Prioritized patient health and well-being is the primary focus of the facility. We insure that the facility accommodates all patient needs by offering a wide range of healthcare services.

Convenient Location and Amenities:

The facility is strategically located near the 405 freeway on Santa Monica Blvd, just off Sepulveda Blvd. We also provide free parking in front and back of the building to enhance patient convenience.
