TOTAL IMAGING & OPEN MRI

Personal Injury Worker's Compensation

Total Imaging & Open MRI is the leading open MRI practice in Santa Clarita, California, where the team offers modern technology and compassionate care to patients needing imaging studies.

The practice offers a highly trained medical team that's professional and caring, putting them at the top of the MRI industry. They offer the most up-to-date technology, including the Hitachi Airis MRI machine and a new digital X-Ray machine. They provide a variety of high-tech imaging studies, including cranial MRIs.

Patients of all ages are welcome at Total Imaging & Open MRI. The practice provides every patient with a positive experience when undergoing an imaging exam, from infants to seniors.

The practice has experience with every type of imaging, and the highly trained professionals ensure every patient is completely comfortable before, during, and after the study is complete. This effort toward comfort includes playing music during the MRI or CT scans and providing unrivaled care throughout the exam.

The team communicates with the patient during the entire exam, and they're always ready to jump in and provide comfort to nervous or stressed patients. Total Imaging & Open MRI is the best choice in the Santa Clarita area, with top-notch technology and a team like no other.

If you require diagnostic or evaluative imaging due to a chronic condition, personal injury, or sports injury, Total Imaging & Open MRI is your best choice for high-quality imaging.
