When you visit High Desert Open MRI Medical Corp, you'll know your time, dignity, and privacy are valued. They treat patients like family. From young to old, they are prepared to image any part of the human body. They can accommodate large patients comfortably. Their friendly staff and technicians have over ten years of experience making claustrophobic patients feel relaxed.

Their team wants patients to have an enjoyable MRI experience. With new high-power imaging, scans that once took an hour can now be easily completed in thirty minutes or less and patients can choose to have a close friend or family member sit by their side in the MRI room.

What Makes High Desert Open MRI the Best Choice for Patients?

- Patient-friendly care and service. It's a better experience for everyone!
- Punctual staff, always on time and on schedule.
- Same day appointments when available.
- Bi-lingual staff.
- They never turn patients away.
- They will have your results to your doctor within 48 hours of your examination.
- Accommodation for claustrophobic patients.

Their Hitachi Airis II open MRI machine makes MRI scans a pleasant experience for every patient.
