Cedar Pointe Medical Group's mission is to continue to be the premier, most experienced neuromusculoskeletal healthcare service provider for personal injury in the Inland Empire Area providing quality care in a cost-efficient, outcome-oriented environment.

All Cedar Pointe Medical Group's physicians and specialists are employees of the practice and their clinical care and approach to treatment is coordinated and streamlined, which allows patients to see doctors at their convenience. The facility also features state-of-the-art technology, from imaging equipment to electrodiagnostic testing, all operated by licensed professionals.

Cedar Pointe Medical Group is well known in the personal injury communities for its experience and knowledge, and can arrange expert testimony.

More About This Practice:

- Case management & case coordination
- Get reports in 10 days or less
- Large facilities to see many patients at once
- Bilingual staff
- Chiropractic care and physiotherapy services available with referrals to Orthopedic, Pain Management doctors, and Radiology specialists
- Convenient and reasonable billing
- They take personal injury on lien, cash patients, and most insurance
- They accept authorized workers' compensation cases
